Other benefits for new members and sponsors

1. Free golf clinics will be offered to new members and sponsors by our PGA professionals.
2. Golf lesson packages will be offered to new members and sponsors at a discount to normal lesson rates.
3. Our PGA professionals will be available to play a round of golf with all new members to introduce them to the golf course.

The Cortland Country Club has never been better!

As the only private country club in Cortland County, this is what we have to offer:

1. A superbly manicured and maintained golf course, which by its nature exceeds any other course in the county in terms of availability of play.
2. State of the art irrigation system, which ensures consistent course conditions, regardless of weather.
3. PGA professionals Eric Manning and Kevin Morgan who provide clinics, lessons, tournament and league oversight, while managing all golf activity.
4. Beautiful clubhouse and grounds for member enjoyment with a rich array of social programs and activities.
5. Well stocked pro shop with very competitive pricing on golf apparel and all golf equipment and accessories.
6. Junior golf program for the children and grandchildren of all members.
7. Over a dozen reciprocal golf courses in the region that are available for play at no cost to our members.
8. An excellent dining program featuring both fine dining and casual dining options for members and guests under the leadership of our new Clubhouse Manager, Doug Leach, an American Culinary Federation graduate.
