

# Cortland Country Club 2024 New Membership and Golf Package Specials

---

## Special #1: Purchase First Two Years and Receive Third Year Free

Special #1 allows new members the opportunity to purchase a golfing membership from our current single or family plan at the annual rate and receive the third year free, plus any assigned fees. The new member agrees to pay the full amount at the beginning of each season for years one and two. The golf classification must remain the same throughout the three year period (i.e., New member purchases a single membership in years one and two and year three remains a single membership). However, a member can modify their membership from a single to a family by paying the difference between the single and family rate (plus fees) in each of the three years of this special. No refund will be issued should a new member seek to drop to a lower golf classification at any time within this special offer period. Members will enjoy all the golf and clubhouse privileges as outlined in the category description found on the Club website. This membership is non-transferable.

## Special #2: Free Seat Lease and \$50 Clubhouse Credit

Special #2 provides a new golf member a free seat lease during the 2024 golfing season with the purchase of a single or family golf membership. In addition, the primary member (either golf or social) will receive a \$50 credit to be applied to their membership account upon approval of their membership and payment received in full. This membership is non-transferable.

---

## Special #3: \$50 Clubhouse Credit for New Social Membership

Special #3 provides a \$50 credit to be applied to their membership account upon approval of their membership and payment received in full. This membership is non-transferable.
